DETAILED ACTION

1. Receipt is acknowledged of the amendment filed on April 25, 2008, which has been fully

considered in this action.

2. This application is in condition for allowance except for the following formal matters:

In the claims:

Claims 5 and 11 are objected to under 37 CFR 1.75(c), as being of

improper dependent form for failing to further limit the subject matter of a

previous claim. In both claims 5 and 11, the portion is recited as being up to one

third of a length of the diverging section. This is a broader recitation than the

limitations incorporated from claim claims 6 and 12 into independent claims 1

and 7, therefore, claims 5 and 11 are broader in scope. It is suggested that the

applicant cancel the claims.

•

Prosecution on the merits is closed in accordance with the practice under Ex parte

Quayle, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS**

from the mailing date of this letter.
